All the World's a stage
And the men and women
merely players.

As You Like it

PROLOGUE

Picher High School presents a great drama. From the first scene as a youthful seventh grader until the final curtain after the senior year, P.H.S. can be compared to a stage.

The students help the ZINCO STAFF write the script with their comings and goings, their comedies and minor tragedies. It is not a simple story: indeed it is complex. It is as complex as our everyday lives in this beloved theater we call the school. To bring it to you faithfully, we must move from scene to scene; we must change moods; we must portray character. In later years when you pick up this book, may you experience deep satisfaction and just a little nostalgia as you create the Acts of School Life depicted here.

The Curtain Rises

Superintendent & Board of Education

Congratulations to the class of 1960,

I wish to congratulate you on your graduation from high school and for being one of the nicest senior classes we have had. I am especially proud of you since you were beginners in school when I began teaching here twelve years ago. I sincerely hope you find your place in life as successfully as you have here in school.

Very sincerely,

Ray E. Harrell

Dixie Houston
Secretary to Superintendent

Left to Right: Bob Nichols, Lyndon Scott, Ralph Leslie, Ray Harrell, and Rex Garrett, Roger Graham picture unavailable.

Patricia, seven, plays the piano and everybody sings at the Neighbor's. Debra is three, and David just now one. The family spent last year at O.S.U. where Mr. Neighbors studied science on a scholarship. He is a Northeastern State graduate, and earned his Masters at O.S.U. The Neighbors have been here seven years. Chemistry is his subject.

To The Students of Picher High School.

Education, broadly interpreted, comprises all the efforts both direct and indirect, made by society to accomplish certain objectives that are considered desirable. These efforts may be put forth by organized society as a whole or by a smaller group such as a political party or a religious group. The goals, too, may be formulated either in the interest of society at large or by self seeking segments of society. The importance of education as an agency for modifying the behaviour of people has been increasing during the past few years.

It is your job as a consumer of education to make sure that you are getting the most and best for your educational dollar by taking an active interest in your school and its progress.

I congratulate you on the completion of a year of fine work. May all our future relations be as cordial and rewarding.

Donald E. Neighbors

The Harrells are pictured in a charming setting. Mr. Ray Harrell teaches a class in American literature. Mrs. Cleo Harrell is the instructor for all commercial classes, and she also sponsors the pep club and the seventh grade.

Ray Jr. is a freshman at Tulsa University and Deanna is a ninth grader at P.H.S. Mr. and Mrs. Harrell have been in Picher for twelve years. They have B.A. degrees from East Central State, and Mr. Harrell received his Masters degree at O.U.

OUR FACULTY

Picher High School teachers enjoy their homes, hobbies, and other out-of-school activities. They like to read, garden, play games, eat snacks, watch television, and go to church. We show them here with their families at some of their own special interests. Reading is of course a favorite way of spending time for all teachers, whether their reading is done for fun or for studying. They grow flowers by the hundreds and have a lot at it.

For our coach, 'Bo' Spoon, Saturday afternoon means solid comfort, an easy chair, a cup of coffee, a game on television, and two pretty ladies for good company. The girls are, of course, Anita, who is Mrs. Spoon, and Cinda, a second grader. Mr. Spoon teaches science and social studies, and is also one of the ninth grade sponsors. His B.A. degree was earned at Southwestern College at Winfield, Kansas. This is his seventh year at P. H. S.

Football know-how is started early at the Bob Thompsons'. That is Danny, age 9, grade 4, standing by his daddy at the left. Peggy, Mrs. Thompson, is holding eleven-months-old Tammi, and Ricky, who is twelve years old and in the sixth grade, is standing at the right waiting his turn for instructions. Mr. Thompson is our head basketball coach this year and teaches journalism, English, and physical education. He attended Miami junior college and took his B.S. degree at Pittsburg State College at Pittsburg, Kansas. He has been teaching at P.H.S. for seven years. The eighth grade claims him as their sponsor.

Clarence "Doc" and Dixie Houston express their energy playing a round of golf. They are sports fans and are loyal supporters of all the teams of P.H.S. Their son Tommy is grown-up and is away from home. "Doc" teaches English and history and sponsors the sophomore class, but we think his first love is his junior high athletic teams, both football and basketball. He is a Northeastern State graduate, holding a B.A. degree, Dixie is secretary to Mr. Harrell. "Doc" has taught eight years at P.H.S.

FAMILY SCENES

Playing games is a part of everyday living for them, as is watching television and going for snacks. They go to church and many of them teach Sunday School classes or work as church board members or in some other capacity. They go on picnics or just relax. We are proud of our teachers; they are our friends who help us fill our days with activities that help us grow both mentally and physically.

Every day seems a holiday when the McMullins gather in the back yard for a barbecue. Those fine boys, Larry, in the first grade this year, and Gary, who is three years old, are the younger generation. Grace, a former P.H.S. student, is Mother. Daddy, H. C. McMullin, is teaching in his sixth year at P.H.S. He teaches science and social studies and in charge of all audio-visual activities at our school. His college days were spent at East Central State from which he earned his B.A. degree.

Mr. and Mrs. Hanna enjoy doing things together. Having their friends in and making their yard look its best are their favorite ways to relax. Here Mr. Hanna is working in the flowers, and Mrs. Hanna seems to be giving directions just how it should be done. Mrs. Ruth Hanna has taught in our school eleven years. She took her B.A. degree from Northeastern State and sponsors the junior class and the Future Teachers of America.

One family gives us two teachers who have been around a long time. Mrs. Paul Douthitt is in her twenty-second year in this school and Mr. Douthitt, his seventeenth year. Mr. Douthitt is our driver education instructor in high school and teaches mathematics in junior high. They earned their degrees at Northeastern State. Mr. Douthitt sponsors the seventh grade and the Safety Club, and Mrs. Douthitt teaches English in junior high and is faculty advisor for the ZINCO staff. Their special place is the back yard under the apple tree; their special interests are their children and grandchildren.

At home with the Harold McLains means a good time for all. This picture seems to indicate that Emma Lou, an eighth grader, and her dad do not have a chance in this game. Mother is the champion! Mrs. Willo McLain is our Home Economics teacher and a planner of banquets par excellence. She acts as advisor of activities for the 4-H Club. Pittsburg State College at Pittsburg, Kansas, is her school where she was awarded a B.S. degree. She has taught here for ten years.

Great bowls of popcorn! Doesn't this look like fun? Two-year-old Kathy's smile appeared like the sunshine after the picture was taken and Daddy let her get her little hands into that big bowl. Myrna, on the right is in the sixth grade. She is the elementary school ZINCO Queen this year. The Fred Osbornes have been with us for seven years. Mr. Osborne teaches vocational auto-mechanics at P.H.S. He is also a junior sponsor, so that means he should be able to make good hot dogs and coffee. He took a B.S. degree at Northeastern State and a M.S. degree in vocational teaching at O.S.U.

Howard Hudson and his mother, Mrs. Hazel Davis, make this little family group. Honey, the little dog, poses like a veteran. He could have had some acting lessons. Mr. Hudson received his B.A. degree from Northeastern State and is teaching speech and English in P.H.S. for the fourth year. The planning of all plays and assemblies is his special duty.

The Byrl Gowins seem to have fun together. This combination of kids, cats, and phonograph records give the evidence. The children are John, twelve years old and in the sixth grade, Kathy Lynn, eight years old and in the third grade, and Rea Jean, seven years old and in the second grade. Mr. Gowin has taught mathematics for three years at P.H.S. He is a sophomore sponsor. At S.M.S. in Springfield, Missouri, he won a B.S. degree, and from Missouri University he has a M.E.

Mrs. Deal is our librarian. We always find her when we want something special in readings and reports. She teaches some junior high classes in social studies and science too. She holds a B.S. with high honors and a masters degree from Pittsburg State College, and has taught at P.H.S. for thirteen years. This year she is a sponsor for the eighth grade. She and Mr. Deal live at Treece where he has retired this year after thirty-five years as a hardware merchant. They are pictured with their little dog Mike who has a very special place in their hearts.

The smiles here tell the story of a family who just plain like each other. Both Burl and Nadine Mullins are teachers, but we can't claim Nadine; she teaches at Treece. Pat, at the right of the picture is a sophomore at NEO A&M at Miami. Mr. Mullins claims two degrees, a B.S. from East Central State and M.S. from O.S.U. In his eighth year in our school, he teaches classes in vocational carpentry and sponsors the senior class.

The Al Hamils make up this handsome family group. Mr. Hamil is shown with his wife Jenny, and Kenny, seven, who is in the second grade, Linda, three years old, and brand new baby Ronald Joe, who is the center of all activity at the Hamil house right now. Mr. Hamil is our music teacher and has built the music department into one that commands great respect all over the state in the three years he has been at Picher High School. He received his Bachelor of Music degree at Southeastern State.

Who is the star of this show? The center of attraction? The attention getter? It is Larry Puryear III, just sixteen months old. Mother KariZoe and Daddy Larry II just look on with admiration and shouldn't everyone? He's just great! Dad Larry has been teaching here for seven years. He teaches science in both junior and senior high school. The student council looks to him for advice and leadership. His Alma Mater is Northeastern State where he took his B.S. degree.

Honor Teacher and Students

To observe American Education Week, the Masons from Ottawa Lodge No. 478 AF & AM, Picher, Oklahoma, presented framed certificates of merit to a "Teacher of Today," a girl "Student of Today," and a boy "Student of Today" at a night assembly in the high school auditorium November 12, at 7:30 p.m.

The persons honored were named by Lee Jones, secretary of the masonic lodge, at a program which included talks by student representatives of various departments in the high school.

Five teachers, five girls, and five boys from the three upper classes of the high school were chosen to be considered for the award. These selections were made by the president of the high school PTA, Mrs. Carthel Foster; the high school principal, Mr. Don Nighbors; the superintendent of schools, Mr. Ray Harrell; and the student council. Final selections were made by the officers of the lodge.

H.C. McMullin, history and science; Howard Hudson, speech and English; Mrs. Ray Harrell, commercial department; Burel Mullins, T & I Carpentry; and Larry Puryear, science, were the teacher candidates.

Students considered for the honor were: Bill Hasseberg, Gary Brown, Lawrence Ralph Leslie, Bridget Seat, and Charlene Peace, seniors; David Johnson, Tony Testerman, Carol Craig, and Sheila Lowery, juniors; and Karen Williams, sophomore.

W.A. Brewer, Worshipful Master of the local lodge, explained that the objective was to encourage quality teaching and quality teachers, at the same time to foster student achievement in the public schools.

In the Spotlight

Dear Mr. Spoon,

This book is dedicated to you because you are one of our favorite people. You have our love and respect because you are a good teacher and a good coach. In both of these very exacting duties, you have proved yourself firm, kind, and very interested in the things accomplished by the students under your supervision.

We know that you gave up a career in professional athletics to teach and coach. That you would have been successful is proved by your history (some highlights given below) in high school, college, and in the service of your country. We do appreciate what you teach in the classroom and what you have done for our boys and our school in athletics. When you are gone, the memory of you will linger on in the halls and on the playing fields of Picher High School.

Sincerely,
Zinco Staff

From Clippings in an Old Scrapbook

Tulsa World, Nov. 27, 1941: "Bo Spoon, All-state back from Picher, is the state's highest scorer with 160 points for the season."

From a '42 Builders program: "Howard (Bo) Spoon is the boy to watch on those fast breaks. The Picher, Oklahoma freshman is the find of the '42 Builder squad."

With the 25th Infantry (Tropic lightning) Division on Luzon Island in the Philippines: "Corporal James H. Spoon and his unit are responsible for getting the vital artillery ammunition to the front line artillery batteries."

The Southwestern Collegian, Sat., Oct. 30, 1948: "It was strictly a Bo Spoon show as the reliable quarterbacking ace clicked off three touchdowns to pace the Builders attack."

Winfield Daily Courier, Wed., May 5, 1949: "It was strictly Spoon's game as he struck out nine, walked three, and in addition to smacking the game's only round tripper, he drove in three Southwestern run. He surely was in rare form."

NATIONAL BASEBALL CONGRESS

Dear Seniors of 1959-60,
The dear old days we spent at P.H.S. are about to come to a close. These pictures will show some of the happy and memorable times we have had. I can remember the days in Mr. Puryear's Biology class when Linda Clanton and Toddy Hayworth spent

hours trying to figure things out.

Poor Doris Stites added two and two and always got five, or it could have been that adding machine. With Ralph Leslie and Bill Hasselberg in that Bookkeeping class, I'll bet she didn't get much help. Mrs. Harrell accused those boys every day of goofing her adding machine up.

Do you remember Jim Sharbutl and Kenneth Thulin working on Algebra II problems? Mr. Gowin always seemed to have them at the board. Maybe that was because he didn't trust them behind his back. Kenny was always wanting to bring his guitar and entertain the class.

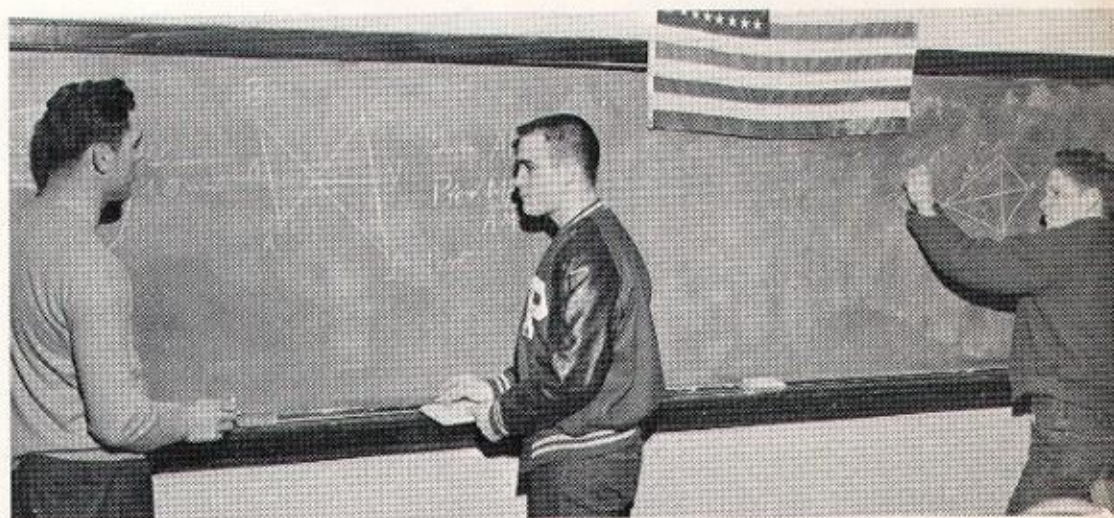

It seemed as though Larry Carmack, Larry Olcks, and Jerry Bayliss were always studying together for Mr. Thompson's Journalism tests.

Shorthand! Why did Elaine Hewkins, Bridget Seat, Geraldine Tabor, and Clara Darnell always seem to be behind in Mrs. Harrell's class. They must have been practicing for a job where they could work two hours a day.

Charles Pyle, Jim Abernathy, and Raymond Herd really had a rough time working Mr. Howin's assignments in Geometry third hour.

Mr. Spoon's questions in Problems of Democracy were handled very well by James Bennett and Linda Perry. If you remember, Linda was one of the finest singers in her class in the state. James was a late enrollee in Picher and it wasn't very long before he picked up the nickname "Big Otis." He also had ambitions in the Golden Gloves.

In another of Mr. Spoon's classes, we found Richard Sexton and Gloria Turley looking as if they were having more fun than if they were working. Of course in Mr. Spoon's classes, we learn a lot and enjoy it too.

This beautiful table has been set by Peggy Rowe, Charlene Pease, Alice Mashburn and Karen Carner in Mrs. McLaine's Home Making class. Both foods and clothing have been woven into a program that gives the students an all-around grasp of various aspects of home and family living.

The big grin on Robert Sharp's face makes you wonder if Mrs. Spoon had encouraged him to go to the place on the map. Wonder if he had been told to "show the Russians a thing or two." Hope he doesn't get lost.

Gary Krokroskia and Larry Carey were taking driver tests so that they may operate the Driver Education car which is donated by Neil Norton Motors of Miami. Mr. Dauthitt, the instructor, has proved to many students

that you can't stop on a dime.

Jack Allen and Jerry Rector must have been mixing some kind of an explosive in Mr. Neighbor's chemistry class. Let's hope they aren't getting ready to blow the school up.

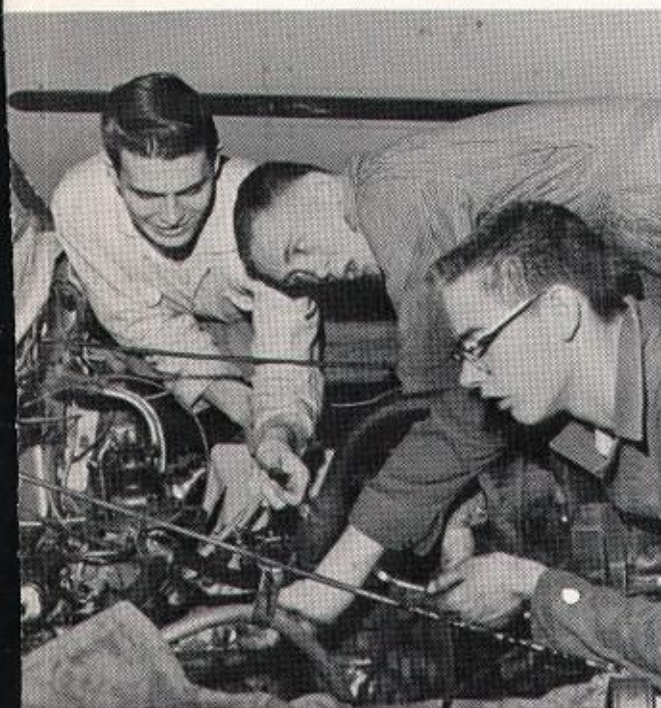

Rosalea Anderson, Mike Lee, Phil Leathman, and Jerry Bayliss were all admiring the model of the Globe Theater which was built by Gary Brown. In Mr. Hudson's English Literature class a lot of Shakespeare was studied. I

wonder if they still remember how Burnham Wood came to Macbeth's castle or any of Alexander Pope's profound sayings? I suppose they had more fun when Mr. Hudson went to the speech tournaments or was working on assembly programs. Of course no one in the senior class would take advantage of a teacher.

Here are three seniors that Mr. Hamel would have liked to keep for several more years. They are Gloria Turley, Gary Brown and Jack Allen.

Larry Olds, Larry Carmack, and Gary Williams are shown here looking very "intelligent" about the insides of an automobile. I think Carmack has just said "Now boys, this is the way it's supposed to be done." Mr. Fred Osborne taught this class. Remember how he tried to teach a lot besides just being "grease monkeys!"

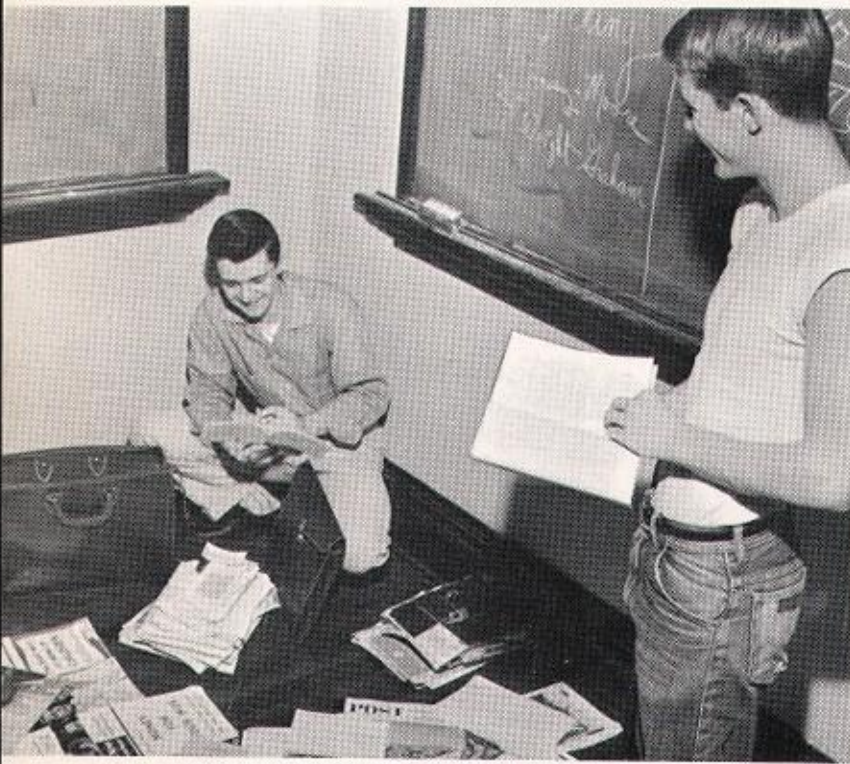

Yes, people besides girls took typing. Here you see two "speedy" senior typists, Doug Carnahan and Paul Cook. Mrs. Harrell should be proud of them.

Here are three boys who decided they would rather "start at the top." Do you remember when Ronnie Williams, Gary Kestroskia and Paul Cook wished they could have stayed in Mr. Mullins wood shop all day?

Here on the right shows how Linda Miner and Betty Hill learned all about American History in Mr. Houston's class the second hour.

"This won speech contests?" Our must have come out of chaos because the record proves that Gary Brown and Joe Poser, with Mr. Hudson's help, won many speech honors for our school.

I hope that when you read this and see these pictures, you will remember dear old P. H. S. with love.

Your class president,
Bill Hassberg

Late Comers

These are the people who entered late. They were not here to get individual pictures made for the Zinco. Everyone here has been in our school before and we are delighted to have them back.

Dick Barnett, Picher's own famous jockey, has decided to come back to school this year. He is now a member of the junior class. We are very glad to have Dick back to graduate with the senior class of 1960-61.

These people have come back to us from Grants, New Mexico, Middletown, Ohio, and other places. We hope they never leave us again. Welcome back.

ZINCO

To finance the publishing of the ZINCO, the staff chose a boy and a girl from each class to do the work of selling yearbooks, last summer's supplement to the 1959 ZINCO, advertising space, names on the alumni page, and accepting contributions. This was a difficult job, but the students in each class lent a hand to their own candidates. Parents also helped with the project, and everyone working together caused the whole thing to be a great success. The contest began September 16 and ended October 16 with the result that 468 yearbooks were ordered from the American Yearbook Company at Hannibal, Missouri.

ATTENDANTS

The high school boy and girl who brought in the most money gained the well-earned honor of being ZINCO king and queen. This year the honors went to the candidates from the senior class. The runners-up from the junior and sophomore classes acted as attendants.

Junior high school gave us our yearbook prince and princess. The seventh grade class proved to be the best salesmen for the year. Attendants to the prince and princess came from the other junior high classes, the eighth and ninth grades.

Their rewards, the only reward that can be given in contests of this kind, are these pictures on these pages. The staff, the faculty, and the student body add their grateful thanks to these students for a job well done.

ALL SCHOOL

ROYALTY

Carolyn

Jackson

Back-to-School Night, the night of February 5, 1960, was the regular scheduled school day for P.T.A. It was a lot of fun, and both teachers and parents learned plenty. It was also the setting for the coronation of our all school royalty, sponsored by the high school P.T.A.

Carolyn Jackson, a sophomore, was crowned "All School Queen" by Gary Krokroskia, our Student Council President. Carolyn was injured in a motor scooter-car accident early in the school year and spent a great deal of the first semester in the hospital. We are glad that she is now back with us and we hope that her recovery will soon be complete.

Her attendants were: Jean Marie Cooper, Junior; Janie Testerman, Freshman; Janice Allen, 7th grade; Pauline Dixon, Junior; Beverly Carroll, Freshman; and Pat Endicott, 8th grade. They were

escorted by: Gerald Breeden, Sophomore; Jack Allen, Senior; Walter Emarthla, Junior; Gary Krokroskia, Senior; Gary Garrett, Senior; Tony Testerman, Junior; and Jim Sharbutt, Senior.

FOOTBALL QUEEN

Alice Mashburn

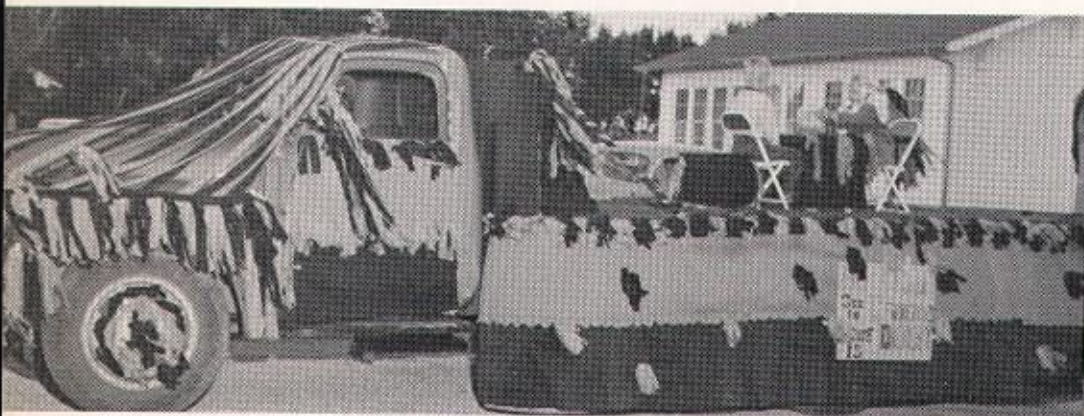

"The Ultimate--The Unforgettable"

"Small Fry"

"A Time To Remember"

First place was won by the Grade School.

Freshman Float--2nd Place

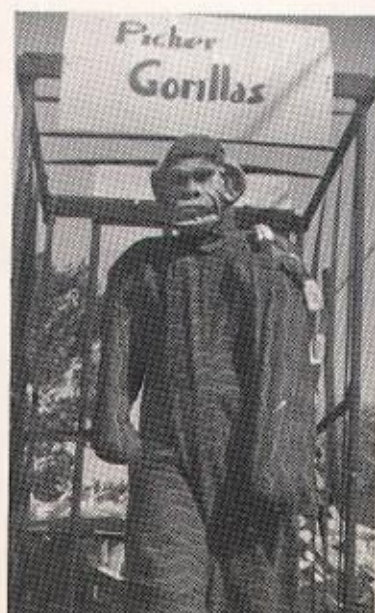

Junior Float--3rd Place

"A lovely time--but soon over" Queen Alice and Kissing--Captain Jim.

"Gorilla?"

"One of those Senior clowns"

"Seventh Grade gets in the act"

"The Beauty Behind the Brawn"

Football Princess

Pequita

Here we see Queen Alice and Princess Pequita with Attendants and Escorts.
 SEATED: Emma Lou McLain, 8th; Susie Crawford, 7th; Pequita Henry, 9th; Alice Mashburn, 12th; Sandra Foster, 11th; Wanda Lowery, 10th; Deborah Frogue, 9th.
 Not in picture: Karen Abernathy, 12th.
 Escorts standing, L to R: Paul Cook, Bill Hasseberg, Gary Garrett, Gary Krokroskia, Larry Carmack, Jim Abernathy, Kissing--Captain, and Larry Madden.

Alice Mashburn, senior, was crowned football queen at half-time at our Homecoming game with Commerce. Football Queen and Princess honors were earned in a football ticketselling campaign.

Pequita Henry, Freshman, captured Princess title in Junior High.

MISS

MERRY CHRISTMAS

Sandra Foster

Sandra Foster, a very lovely and talented young lady, was chosen to be Miss Merry Christmas by a vote of the student body. She competed in the annual district contest at Joplin and reigned over the annual Christmas festivities in Picher.

Some of her other activities this year are: secretary-treasurer for the junior class, 4-H Club vice president, football attendant, and a member of the office staff.

CANDIDATES FOR T & I SWEETHEART

Karen Williams &

Gloria Barnett

These two girls will compete late in the spring in the contest for T & I Sweetheart. Anyone viewing the picture will realize that either will be a splendid choice. Karen Williams is the representative of the boys in the auto shop. Gloria, the candidate for the wood shop. The boys from each department will assist their candidate to make the money needed for the yearly club projects. Mr. Osborne and Mr. Mullins are the sponsors for the group.

Left to right: Mr. Osborne, R. Green, D. Morerod, R. Williams, L. Anderson, M. Lee, P. Cook, B. Abernathy, L. Carmack, G. Krokroskia, L. Stone. SECOND ROW: B. Ray, J. Hames, T. Rector, J. Vanderpool, L. Olds, T. Murray, J. Tyler, J. Lee. THIRD ROW: D. Kline, D. Garner, J. Nowlin, B. Parkinson, B. Kerley, J. Smith, R. Barr, Mr. Mullins. FOURTH ROW: G. Breeden, C. Rhoades, P. Leatherman, B. Seats, L. Linthicum, R. Allen, R. Sexton, R. Gough. FIFTH ROW: R. Smith, J. Sooter, P. Perry, C. Barnes, D. Lee, and G. Crockett.

T AND I CLUB

T & I CARPENTRY

In our carpentry classes, we have undertaken many projects, which often have been difficult as far as beginning students are concerned, but under expert instruction these projects have become in every way a success. The main interest in our carpentry classes is housing. These projects which we undertake are financed by the people whom we build the houses for. These people supply the material, and we supply the manual labor.

The first project of the year was adding a room to the home of Dwight Osborn. The next, and the project which we are working on at the present time is the building of a home for Mr. Dewey Berry.

Not only do we learn to become qualified carpenters, but we will have learned a vocation which will enable us to take our places in the world as useful members of society.

Ronnie Williams

AUTO MECHANICS

"What Makes Chevy Run?"

Every day in our auto shop, boys are answering questions like "What does the generator cut out do?" and "How is a storage battery made?"

A great many of our boys are completely curious about things that are mechanical. And when a boy gets curious, anything can happen. From all this interest has come the mechanical progress that has done much to help America become great, because every time a question is answered, another pops up that needs answering too.

BASKETBALL QUEEN

Bridget Seat

ATTENDANTS:

Linda Clanton

Ginger Miller

After a fine season-ticket selling campaign, Bridget Seat, a senior, was crowned Basketball Queen at a home basketball game with Commerce on January 6. Her attendants were Ginger Miller, a Sophomore, who was first runner-up and Linda Clanton, senior, second runner-up. At the coronation basketball players Doug Carnahan, Richard Green, and Ray Moore served as escorts for the girls, and little Cinda Spoon, junior cheerleader, was crown bearer.

Left to right: 1st ROW: Attendant Billie King, Princess June Skelton, Queen Sandra Stallsworth, Attendant Jane Testerman. 2nd ROW: Attendant Richard Heatherly, Prince Jack Allen, King Richard Masters, and Attendant Bob Scott.

Band Royalty

A fine time was had by all the afternoon of December 6, at a band concert in our high school auditorium.

The highlight of the concert was the crowning of the band king and queen, Richard Masters and Sandra Stallsworth, both of whom are sophomores. Jack Allen, senior and June Skelton, sophomore, were crowned prince and princess. Attendants were Jane Testerman, Bob Scott, Billie King, all freshmen, and Richard Heatherly, an eighth grader.

The small crown bearers for the occasion were Jana Lyn LaFolier, Gregg Martin, Linda Hamil, and Dennis Patterson, who are not pictured.

The coronation climaxed a money-raising campaign which netted the band \$201.58.

Majorette

Patti Osborn

Band Officers

J. Testerman, Reporter; D. Harrell, Secretary & Treasurer; G. Miller, Reporter; P. Osborn, Librarian; V. Montgomery, President; G. Brown, Vice President; J. Lawrence, Band Manager.

BAND

FIRST ROW, left to right: V. Montgomery, T. Testerman, J. Smith, G. Turley, J. Horine, D. Harrell, J. Testerman. SECOND ROW: J. Anderson, B. Carroll, D. Frogue, V. Parker, C. Van Volkenburg, L. Eli, G. Arnold, C. Matthews, T. Moore, D. Hawkins, G. Brown, S. Stallsworth, B. King, J. Skelton, M. Price. THIRD ROW: P. Henry, D. Carlin, J. Evans, J. Lawrence, J. G. Green, C. Romine, S. Hopkins, S. Freeman, E. Williams, R. Heatherly, B. Scott, R. Master, G. Miller, E. McLain, J. Scott, D. Carlin, H. Brown, P. Osborn. FOURTH ROW: R. Williams, M. McCullough, P. Endicott, E. Johnston, M. Montgomery, Mr. Al Hamil, director.

One of the first marching engagements this year for the P.H.S. Band was the Lions Club Parade in Baxter.

The next engagement was a big one the marching contest at Pryor. The band earned a first place trophy earlier in the afternoon by marching in the parade. In the field contest that night, the band received an excellent rating. Also the band received a superior in inspection. At this writing, the band is looking forward to participating in four Christmas parades. These will be at Baxter, Galena, Joplin, and, of course, our own here in Picher.

With marching season over, concert season begins. On Sunday, December 6, the band will present a "Pop Concert." December 11, the band will go to Stillwater, where Pat Osborn and Margret Price will participate in the all-state band activities.

Our first concert music festival will be at Miami. The second will be at Tahlequah or Tulsa depending on which is the most convenient. If the band is good enough, they will advance to State Contest which will be held in Norman this year.

The band hopes to go to the Tri-State Music Festival in Enid in the spring.

Band Boosters Club

Active in the raising of money needed for uniforms last year and new hats this year. Money was obtained by a Community-wide sponsored carnival held at the high school. This event is planned to be held each year at Halloween time.

The Club also helps the Band Students in their yearly magazine subscription drive. The club meets regularly on the third Monday of each month.

An event planned for January is a pancake supper and Bingo Party. The Club assists Mr. Hamil in securing transportation for the many trips which the band makes to parades, contests, etc.

Officers are: Mrs. Garel Arnold, President; Bob Montgomery, Treasurer; Mrs. Earl Henry, Vice President; and Mrs. Leon Testerman, Secretary-Reporter.

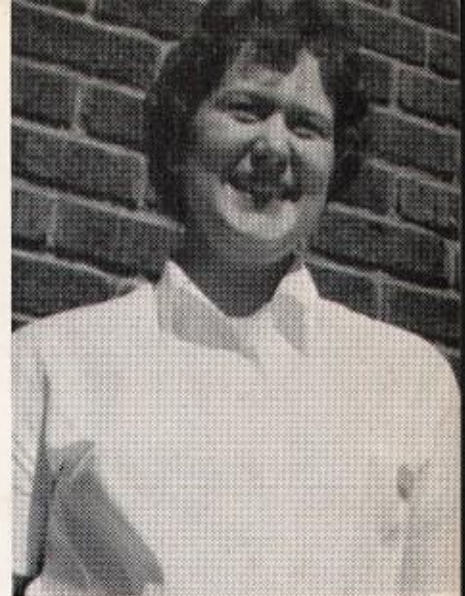

Behind the Scenes

Virginia "She makes us all stand up."

Richard and Doug "Faithful Librarians"

Robert (Poss), "Sure-Handed machine Jockey"

"Girls, here are the real gassers!"

Buddy and Larry, "They dig that dirt"

Pat, "Music Monitor"

Boys' State

The American Legion and the Lions Club sponsored Oklahoma Boys' State convened on the North Campus of the University of Oklahoma at Norman from June 6-13. There were some 574 boys from 229 communities and 75 counties.

Boys' State is an intensive week's study of Oklahoma Government at the city, county, and state levels and is implemented by an educational program divided in three segments.

The first phase includes an eight-hour survey course in Oklahoma Government. The course includes a graded examination over the material covered.

In addition to classroom lectures, there are appearances by outstanding Oklahomans representing every department and level of government.

The third phase concentrates on learning by doing as nearly to reality as possible. We organize our two political parties, the Boomers and the Sooners at the local and state level. We held elections at the City level at a town meeting. We nominated candidates for county and state offices at nomination conventions and elect these nominees at a general election.

Once elected we use as many of these officials as possible in actual practice of government.

This is the general plan of organization of Oklahoma Boys' State. This summary does not include the social and recreational highlight of Boys' State but rather deals exclusively with Boys' State's only reason for existence, its educational program.

Ralph Leslie

In Service Education

Our teachers are learning too. Courses in Guidance are being offered to all the teachers in the Picher school the first semester by Oklahoma State University through the services of Professor Eli Foster. For several hours each week they work together planning guidance services for the students of our schools to help bring about the fulfillment of the individual; which is the highest goal of our democratic society.

"The mixing of learning and teaching in the same person is especially important. Indeed it is probably at just the moment of mixing that the touch of magic enters into the hard work of education."

John S. Dickey, President
Dartmouth College

for Teachers

Mr. Eli Foster

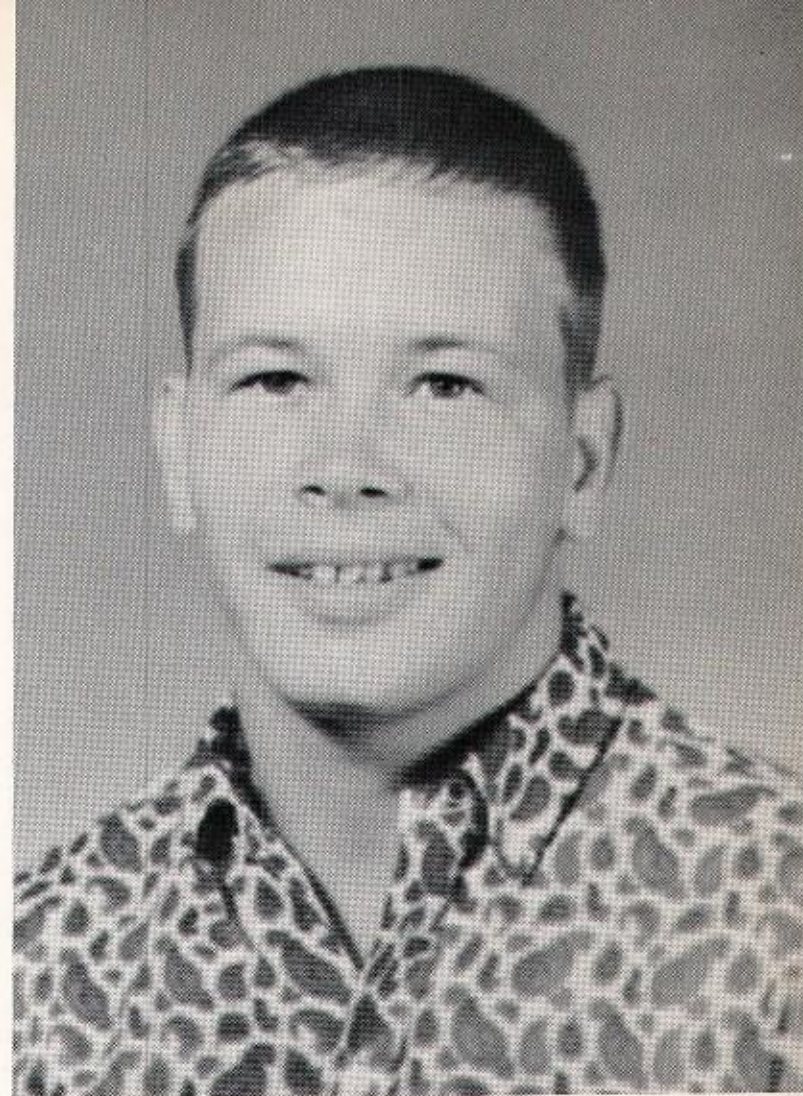

Student Council

A strong foundation is the key to a good house. The Student Council election which was held in October 1959 opened our year's activity. Gary Krokroskia who had served for two years on the Student Council was elected President, Larry Olds--Vice-President, and Carol Craig, Secretary and Treasurer, were elected by the Council as their officers for the year 1959-1960.

Two of our projects were the ratification of the new Safety rules for our school and the Teenager March on Polio. Annually each member goes from house to house in Picher soliciting for the Ottawa County Polio Fund.

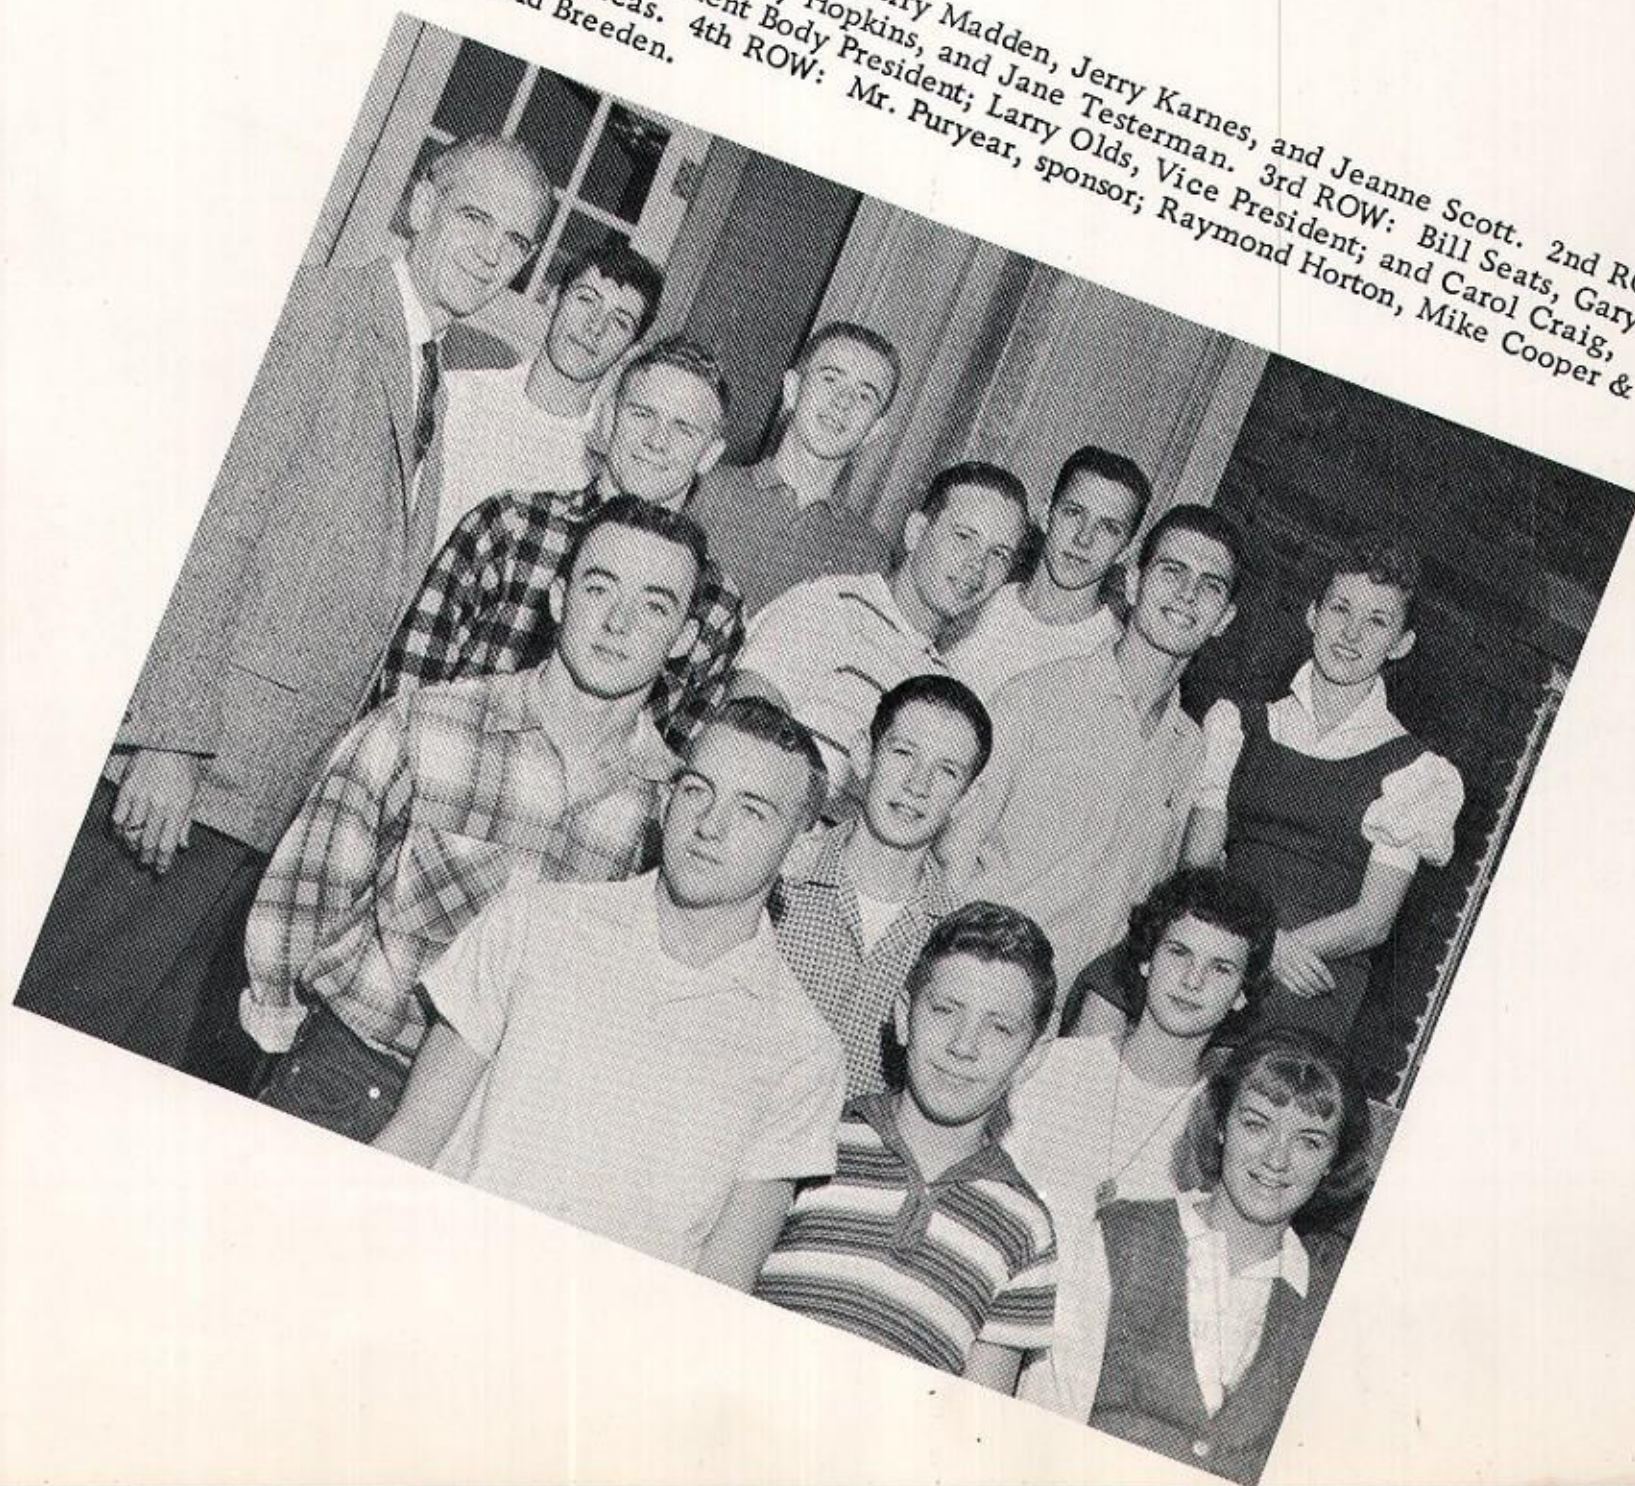

Mr. Larry Puryear is our sponsor again this year. We wish to thank him for his time and effort in assisting us this year.

GARY KROKROSKIA

Student Body President
GARY KROKROSKIA

Left to right: 1st ROW: Larry Madden, Jerry Karnes, and Jeanne Scott. 2nd ROW: Bill Hasseberg, Danny Hopkins, and Jane Testerman. 3rd ROW: Bill Seats, Gary Krokroskia, Student Body President; Larry Olds, Vice President; and Carol Craig, Sec'y & Treas. 4th ROW: Mr. Puryear, sponsor; Raymond Horton, Mike Cooper & Gerald Breeden.

LOWERY, THULIN ARE CHOSEN TO HEAD CHAT PILE STAFF

SPEECH DEPARTMENT GOING STRONG

"So far, so good," says Howard Hudson, speech director.

Mr. Hudson's comment is about the two tournaments attended by the speech department so far this year.

First, the group took part in the Enid, Oklahoma, November 20, 21 tournament, five students qualified for first place in their events. David Craig won first in Debate; Joe Poor in Duet Acting; David Johnson in Extemp; and Phyllis Moore first in Future. Several other students won various other events. The group won the Sweepstakes trophy from this tournament.

Oklahoma City University was the second tournament attended by the department took place December 10. In this tournament the group won second Sweepstakes and qualified three for the state tournament.

Those qualifying, by winning events were: Sheila Lowery, first in Debate; David Johnson, first in Men's Extemp; and Phyllis Moore, first in Discussion.

HARRELL GETS AWARD

Ray Harrell, Superintendent of Schools, was presented an award of merit for his outstanding leadership drive of the county.

TEST GIVEN TO DETERMINE TOP OFFICER

This year finds a junior as editor of the Chat Pile for the first time. Miss Sheila Lowery was chosen for this office after a test given by Howard Hudson. The person making the test becomes the editor, the next person becomes the editor, the next person becomes the editor, and so forth.

Kenneth Thulin, senior, was named as the feature editor. Jean Cooper was named feature editor for a junior. Terry Rector took over as the editor, with Doug Carnahan as his assistant. Members of the class include Doris St. Leatherman, Karen Abernathy, R. Toddy Hayworth, Karen Carnes, Sharp, Mike Lee, Steve Rickman, Richard Sexton, and George Darr.

SENIOR PICTURES FOR

Senior pictures arrived just in

time. That is, if everyone has paid for them. Those students who haven't paid for them won't receive them until they have paid for them in full. The purpose of this is to keep the school from having to buy them. Some students don't want them even after they arrive.

If you had your pictures paid in full by November 10, you would have received them December 4, and if you had them paid for by November 20, you would have received them before December 20.

"Busy Season

for the Band"

says Mr. Hamil

The school Band participated in the Picher High School Band competition at 7:00, Tuesday night and achieved a prize of \$10 for being one of the thirty bands marching that

second showing at the Miami Beach Band competition, December 5. And the Picher High School Band will be in the Picher Parade Monday night, December 11.

The school will hold a concert in the Picher High School Gymnasium at 3:00, Sunday afternoon.

Students, Patty Osborn and George Darr, were selected to play in the All State Band competition after Friday, December 11.

Some may work from dawn 'til setting sun but a speech student's work is never done! These thoughts are on the minds of all twenty speech students as they hurry from room to room preparing for contest. Contest work for our speech class began early when we went to Phillips University at Enid. We met the most outstanding schools in our class there and after the smoke of battle cleared, our speech department could be seen making a 'strategic retreat' back to Picher with both the Sweepstakes and Debate trophies. The All-School Play, 'Gidget', was presented this year. It proved to be one of the most outstanding successes ever witnessed by our high school.

As we approach the half-way point in this year, we can find more people qualified for state than at any time in our history. We have several defending state champions back again this year and some state champs to be. Most of these people have qualified for state again this year. We have made a real good showing at the speech contests thus far and we hope to do even better in the future. Most of the STUDENTS have shown more interest than ever before in speech and contest work. They appear to be sincerely interested not only in winning but in the things they are getting out of speech. We owe most of what we have accomplished to our instructor, Mr. Howard Hudson, who has guided us from a beginning department to prominence in our speech league--come to think of it, those long hours spent certainly were not wasted!

David Johnson

SPEECH PLAYS

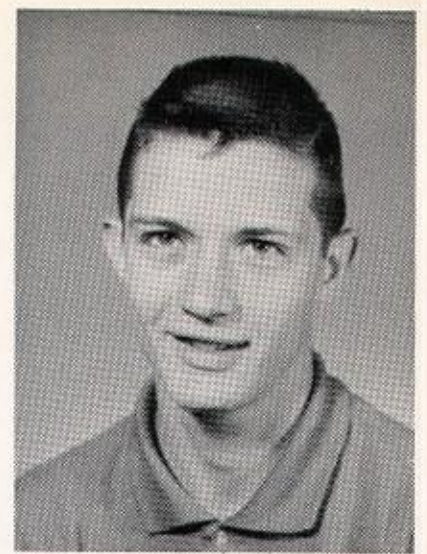

Three plays have been presented by members of the student body this year, under the direction of Howard Hudson, speech director.

"Gidget," the All-School Play, was given first. It was a three-act comedy starring Carol Craig, Joe Poor, Gary Krokroskia, Gary Brown, and a host of others. All the scenes took place at the beach where Gidget (Carol Craig) found her true love, Moondoggie (Joe Poor). The All-School Play was held in the high school auditorium, November 30.

Members of the speech department did a play called "Antigone." This is a Greek tragedy which stars Sheila Lowery, Phyliss Moore, and Joe Poor, among others. The story is about two brothers who share a kingdom until the elder brother decides to take over. There is a war and both brothers are killed. The uncle, Creon (Joe Poor), takes over the kingdom. He had previously been on the side of the elder brothers, and now that they were both dead, he refused to bury the younger brother. The climax of the play comes when Antigone (Phyliss Moore) attempts to bury her brother, she is caught, and is brought before the King who is to order her death. A Greek spirit (Shelia Lowery) helps the plot along by explaining just what happens as the play progresses. This play was taken to OCU in Oklahoma City for a speech tournament. Winning a superior there, it qualified for the state speech contest which was held in April.

SPEECH PLAYS

The juniors and seniors combined efforts this year on their class plays and presented "The People Vs. Maxine Lowe." This is a story about Maxine Lowe (Phyliss Moore) who is being tried for the murder of her husband. Her attorney (Joe Poor) is young and inexperienced, yet presents a good case. The State's Attorney (Gary Brown), along with his young assistant, fresh from law school (Carol Craig), stack up piles of evidence against Mrs. Lowe. When everything is looking pretty black for her, a surprise witness (Linda Perry) brings the whole thing to a climax by declaring that the young assistant to the State's Attorney is in reality Mrs. Lowe's daughter. The daughter switches sides and along with Mrs. Lowe's attorney, they prove that the real murderer is Vincent Barkley (Gary Krokroskia).

HONOR STUDENTS OF PICHER HIGH SCHOOL

This group represents the ten percent of the student body to make the highest average marks during the first nine weeks term. At the end of the semester averages will be taken again to find those persons eligible for the Oklahoma State Honor Society which is open to any accredited high school in the state.

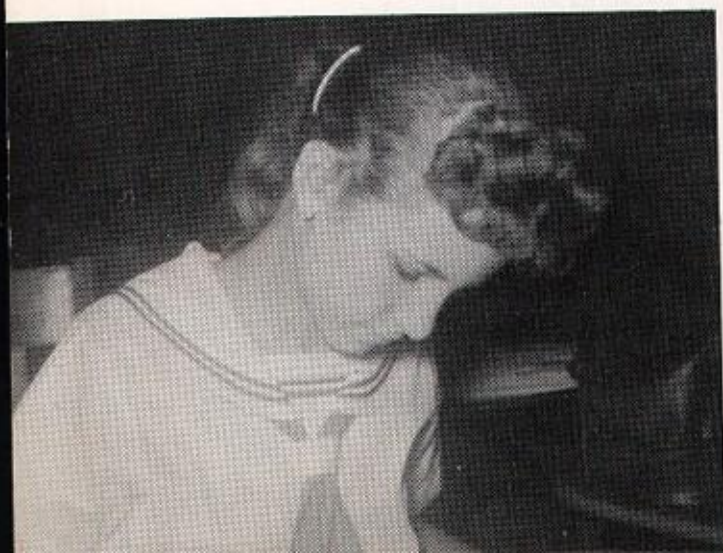

The purpose of the society is to promote higher standards of scholarship among the students in the high schools of Oklahoma.

Membership is based upon work done during the first semester of the current year and the second semester of the preceding year. The standing of students enrolled in the first year of high school is based on the work done during the first semester of the current year.

A certificate of membership for each person approved by the Division of Instruction of the State Department of Education is sent to local high school authorities. These certificates are distributed in time for closing exercise of the school in the spring.

The local school officials have authority to make additional rules pertaining school attendance, department, and school activities.

The Life of an Office Girl

This year in the office we have fourteen girls doing various jobs. These may be: answering the telephone with a pleasant tone of voice, running errands for Mr. Neighbors our principal, typing the bulletin and providing each teacher with a bulletin each day, gathering up the absentee slips each hour from every class, recording the absentees in their proper places, selling lunch tickets, and providing the teachers with a supply of absentee slips. Also, we write excuses for those students who have been absent or tardy or various other reasons, with Mr. Neighbor's signature on them.

When all these jobs are carried out throughout each hour of the day, and Mr. Neighbors' smiles, "Well done," we feel sure that we have spent an enjoyable and profitable hour of our time.

Picher High School Library

Through the years the library of our school has gone through several changes. Beginning with two small rooms, it has developed into a large single unit containing over four thousand books. An additional reading room helps to provide reference materials such as: dictionaries, encyclopedias, atlases, reader's guides, etc.

Because one of the main objectives is to encourage the students to read more, the library covers various fields of study by providing books and materials for curriculum needs, special and individual interests, and for solving personal problems. These are for all grade levels and the different reading abilities. On an average, two hundred books are checked out to students every day.

Our library, a center for information, fact finding, and investigation, has well balanced volumes of fiction and non-fiction books. The non-fiction, with over three hundred books concerning science, is classified by the Dewey Decimal System. The fiction books are arranged alphabetically by authors.

The library continues to meet the demands of the student body by acquiring new books each year.

Lucile Fargo has said, "The Library is a warmly beating heart of the school from which flows to pupils and teachers the red blood of inspiration and discovery."

For the past several years, the teachers of P.H.S. have been trying to set up a program of safety in an effort to prevent harm from coming to any of our students while they are on our campus. Last year, through the endless efforts of Mr. Douthitt, who is our sponsor, we were able to set up just such a club. It is called "Youth For Safety" and is affiliated with the state and national organizations.

Through this organization our students were given the responsibility of setting up rules and regulations that drivers would be required to follow while operating their vehicles on school property. It provides that the student members take up our problems of safety and set the penalties for those caught breaking our school rules.

Each student driver is required to register his car in the office. The registration blank includes the car license number, the student driver's license number, the make of car, the type of insurance, the student driver's name and address and the name and address of the owner of the car if it is other than the student. Windshield stickers are given after a check by the T & I auto mechanics class for the following: muffler and tailpipe, tie-rods, brakes, lights, wind-shield wipers, and tires.

Four members went to a state "Youth for Safety" meeting in Oklahoma City, October 1. They were Judy Van Volkenburg, Opal Canady, Jim Sharbutt, and Joe Poor.

Joe Poor

Bus Drivers

This group could be described as faithful, skillful, and perhaps long-suffering as well.

Their patience is proved by diligent service each day bringing students to school and taking them safe home again. They are also called upon to take students from various departments on trips of all kinds. It is a lot of fun, and we appreciate their service.

Mr. Osborne, Mr. McMullin and Mr. Kerr

The Plant Improvement Club

The plant Improvement Club has been in existence for the last three years. It has eleven very efficient members. These boys help Mr. Cal Davis, our head janitor, to keep our school clean and everything running smoothly. They clean both the high school and grade school buildings. We all greatly appreciate their fine work.

Cal Davis
Head Custodian

Mrs. Morris

BACK ROW: J. Sharbutt, L. Carmack, L. Olds, R. Williams, C. Allen, R. Masters. FRONT ROW: J. Bayliss, B. Kerley, A. Jones, R. Gough, T. Richardson.

CAFETERIA

The close of 1959 marked the end of the first full year that the elementary and high school cafeteria have operated as a single unit, and has proved, without doubt that merging the two was a wise and profitable move on the part of the Board of Education and Superintendent Harrell.

During the year our cooks prepared over 69,256 balanced meals, of which 19,661 were served at no cost to the students. If all cartons of milk sold during the year were lined up in one line it would reach for 2 7/10 miles.

The success of the venture is due in large part to the patience and understanding of the high school students as they come and go from the grade school building. They are to be commended on the fine manner in which they have conducted themselves.

Harold Jones, Elementary Principal

AUDIO VISUAL

These boys are trained to run the movie projectors. When there are films to be shown in assemblies, or for various classes in the elementary school or the high school, these boys are called upon to be of service. They also work occasionally in civic clubs or in the churches. They operate the public address system for assemblies and football games. Mr. H. C. McMullin is in charge of the audio-visual room and is very helpful in teaching these boys to run the machines. Danny Hopkins is not pictured in this photo.

J. Bayliss, K. Fisher, and R. Anderson.

HIGH SCHOOL P. T. A.

Verna Williams, Sec.; Alene Hall, Treas.; Rita Garrett, Vice Pres.; Betty Foster, Pres.

Members of the PTA are always working together to strengthen the bond between the teacher and the home. They realize that people who work and talk together may come to a better understanding of the problems of a child's development.

Our two local PTA's Club help our school in many ways. When a worthwhile achievement is made in any department, our parent's clubs stand behind that gain by giving their help and encouragement. Our school system is defended and aided by these patrons who are interested in what is sound and good.

Pep Club

Cheerleaders

First of all, we started this year off with a new sponsor, Mrs. Cleo Harrell. She has been a wonderful leader, and has done everything she can to make this the best year yet.

The cheerleaders met in the middle of the summer to start organizing things, and to practice the yells for this season.

The uniforms we wear are standard now, for they are in the Pep Club constitution. We wear red velveteen dresses lined with white taffeta, and white shoes.

These girls were selected at the end of last year, two girls from the sophomore, junior, and senior classes. Any girl feels it an honor to be chosen to serve as a cheerleader, and we try our best to boost the spirits of our wonderful team, and the entire student body.

Some of the things the Pep Club has participated in this year are the bonfires, snake dances, and pep rallies before each game.

Senior High Football

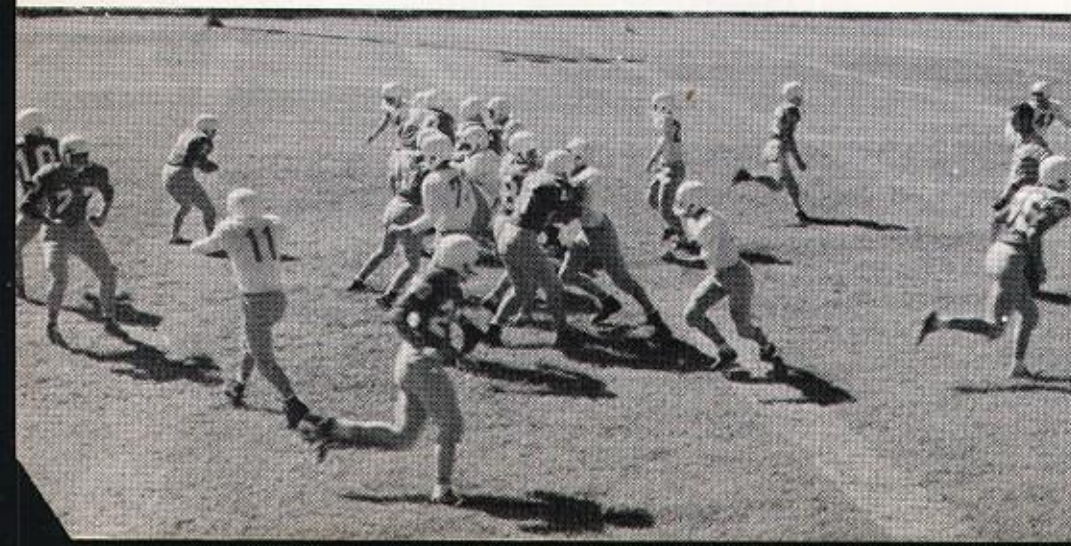

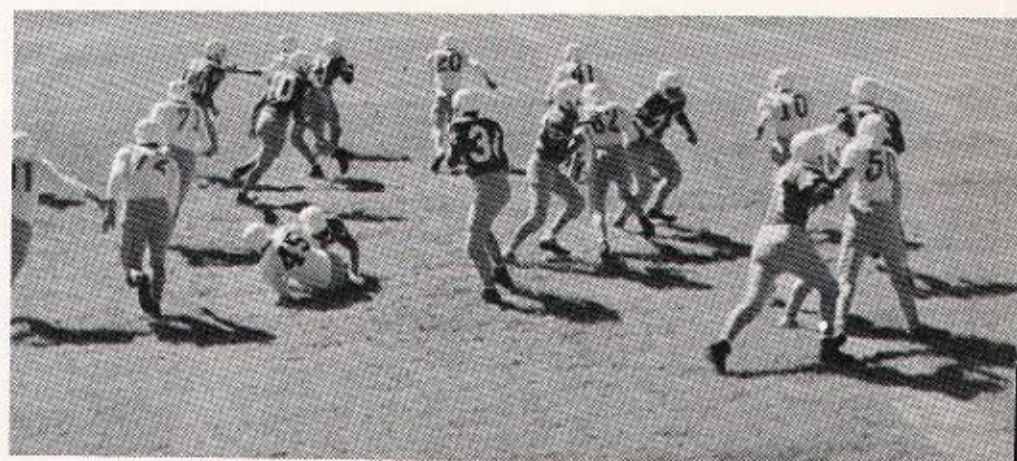

FOOTBALL at HAYMANFIELD! Here is where our drama reaches its most exciting climax. The Oklahoma climate assures us of crisp "feel-like-a-million" nights and just walking or driving into the stadium before that first game gives a sense that "glory days" are returning. Maybe it's because just about everybody gets into the act. The band in attractive, bright red uniforms provides great music and it is enough to make you stand up and swell with pride when they give out with "We're From Picher High School." The cheering section led by our pert and perky cheerleaders makes a bright spot of color and sound. Zip and flavor and the feeling of competition are added by our good neighbors and opponents across the field. A good number of musicians and fans follow them too. And what would a football game be without a hot dog from our faithful friends, the juniors, at the concession stand? Of course, the most thrilling, heart-filling, and sometimes heart-stopping part of the big show comes when our guys play their guys out there on that green expanse between the goal posts. Every play seems to be more hard-fought and suspense-filled than the one before. Excitement! Drama! Showmanship! Yes, indeed, there is plenty of all of them on a football night at P.H.S.!

Inset picture, C. Herd, manager.

When we first enter junior high football, we are drilled and re-drilled so that we will be able to be all-conference players when we enter senior high.

Doc Houston is our coach and he taught us our first plays so I am sure that he's proud of us.

When we played our first game this year, it was with Miami. In this game we were ahead in the fourth quarter 14-12. At about this time our "B" team went in and Miami went ahead and made the final touchdown, which made it 20-14 in favor of Miami.

Then we had our second and last game with Commerce. In this game we were ahead of Commerce all through the game. The score of this game was 36-6 in favor of Picher. This concluded our football season of the year.

Harold Canady

Lucky Seven Basketball Champs

Our team won the 1959-60 Lucky Seven Basketball Conference by defeating the Afton Eagles 58-44. This is the first time since 1933 that the Picher Gorillas have won the Lucky Seven Basketball Conference.

The Gorillas entered the Nowata Tournament on January 29, and defeated its first opponent, the Nowata B team, by a score of 64 to 52. This made us class B champs at the Nowata Tournament.

The Gorillas have outscored their opponents up to this time 839 to 658.

The student body as well as the team should be complimented for this great victory as the Lucky Seven Champs.

Grade School Snaps

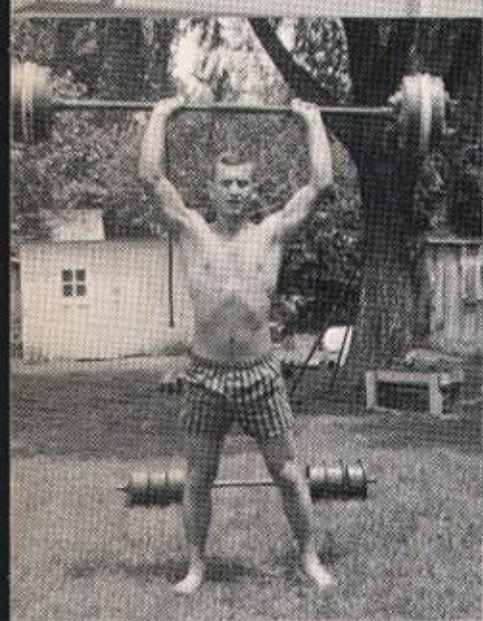

The Parent-Teacher Association for the Picher-Cardin Elementary School meets regularly at the school the third Friday of each month. The study club, meets every week at the home of one of its members.

Some of the projects sponsored by the P.T.A. are the annual Fun Night, which drew a packed house this year, Christmas treats for all the children in the school, refreshments in the cafetorium after the night program at which the Masons honored the "Teacher of the Year" and the "Student of the Year," and the annual teachers dinner to be held in May.

Pictured are: Georgia Von Moss, Secretary; Pauline Jones, President; Racine Bass, Vice President; and Betty Johnson, Treasurer.

with Full

HOUSEPOWER

Full HOUSEPOWER simply means that in order to get the full advantage from the many electrical appliances you use in your home, you should have a modern system of electrical wiring capable of delivering enough electricity to your appliances to let them do their jobs well. Empire will always have available to your home plenty of electricity, but your house wiring must be adequate to carry it from your meter to the point of use. Ask your electrical dealer or contractor to help you modernize your home wiring — Use Empire's Easy Pay Home Wiring Plan.

EPILOGUE

If we have told our story, if our actors and actresses have achieved the effect intended, we are grateful. I would like to thank everyone who in any way co-operated in publishing this 1960 yearbook.

Special thanks go to Opal Canady, assistant editor, for long hours of real work. Thanks, too, to the rest of the staff, Dorothy Sigle, Carolyn Green, and Patricia Crawford, class editors, Steve Rickman who did the art work, including the cover design, and most especially to Mrs. Douthitt, our advisor.

I suppose that William Shakespeare should be thanked too for his contribution to the book since he furnished our theme and all the quotations for the senior pictures.

Heart-felt thanks also to the student body and especially the seniors, whose story of 1959-1960 has been told. May you each be happy as citizens of a far greater drama in a far greater theater, the United States of America.

Judy Van Volkenburg

Editor, 1959-1960
